Hi Joe: Great, we can discuss more at 10:00 AM. I would be happy to have WDNR with us at CSD. I did set up the inspection with CSD and I am sending them a list of documents I would like to review while I am there.

Hi Cheryl,

I am available today around 10 AM if you want to call. I am following up with our regional staff to get the annual reports for CSD; we do not yet have these files online. Also, myself or other DNR staff may join you on the 4th and 5th at CSD; I will let you know closer to the date.

Thanks,
Joe

Hi Joe:

I was able to get in touch with Adam and I scheduled an inspection and file review for May 4 and 5, if Wisconsin would like to join me on the inspection that would be great.

Also, would you have time to meet tomorrow (10 AM) if not I am open all day to discuss the NMP documents and other information you provided to me for CSD. I am having trouble deciphering what is going on with laboratory data and manure sampling results.

Also, is there CSD most Annual Report located on your e-permitting site, if not could you send me a copy of the Annual Report.

Thank you.

Hey Adam:

Do you have a phone number for any of the contacts at Central Sands? The number for Adam in SWAMP doesn't seem to work. Is there one for Jeff Sommers or Jim?

Thanks,
Joe
